**Career Objective:** A motivated and creative individual seeking opportunities to apply my design and development skills to impactful projects. Eager to collaborate in a dynamic team environment and contribute innovative ideas. Passionate about continuous learning and committed to delivering high-quality results.

## Educational Qualification:

- Pursuing MCA (3rd Sem) in ABIT under BPUT and have secured a CGPA of 8.76 (Expected completion: 2025).
- Completed B.Sc. from Regional Degree College, Rambag, Jajpur, under Utkal University, Bhubaneswar, with 80% (Completed in 2022).
- Completed 12th from Regional College, Rambag, Jajpur, under the Council of Higher Secondary Education, Bhubaneswar, with 50% (Completed in 2019).
- Completed 10th from Rambag High School, under the Board of Secondary Education, Odisha, with 62% (Completed in 2017).

## Technical Skills:

- **Programming Languages:** C, Java, JavaScript, PHP
- **Web Technologies:** HTML, CSS, Bootstrap, ReactJS, Tailwind CSS
- **Database Management:** MySQL, MongoDB

## Projects Undergone:

**Title of the Project:** E-commerce Website

**Team Size:** 1

**Description:** Developed a fully functional e-commerce website featuring user authentication, product listings, cart functionality, and order placement. Integrated PHP for server-side scripting and MySQL for database management. Implemented login and logout functionality, a dynamic cart system, and a responsive checkout process. Enhanced user experience with HTML, CSS, JavaScript, and Bootstrap for a modern, accessible design.

**Title of the Project:** Personal Portfolio Website

**Team Size:** 1

**Description:** Designed and developed a fully responsive personal portfolio website using HTML, CSS, and JavaScript. The website showcases various projects, skills, and personal achievements in a visually appealing and user-friendly interface. Integrated smooth navigation, interactive features, and responsive layouts to ensure compatibility across devices and screen sizes. Enhanced aesthetics with CSS animations and ensured accessibility and optimal performance on both desktop and mobile platforms.

### Extracurricular Activities:

- Achieved certification in Java and HTML through courses by Prashant Jain, Co-founder of KG Coding.
- Regular participant in local marathons and sports events, promoting fitness and teamwork.
